There is a delay of 1896 days in filing this revision petition. For condoning the delay, the petitioner has filed applications under Section 5 of the Limitation Act.

2. We have carefully gone through the explanation offered by the petitioner for condoning the delay in filing the revision petition. Having heard the learned Government Pleader appearing for the petitioner and having considered the explanation offered in the applications, we are of the opinion that the explanation is fully unsatisfactory. Therefore the applications require to be rejected and they are accordingly rejected.

3. Consequently, the revision petition is also rejected.

Ordered accordingly.
